Agenda at a Glance

The Florida Government Innovation Summit is brought to you by the Florida Department of Management Services and the Florida Technology Council, and is a ground-breaking initiative that echoes the Department of Management Services' commitment to spearheading innovation and operational excellence across the Florida government landscape. The DMS, has a storied legacy of enhancing service delivery while minimizing administrative overhead through continuous improvement and effective customer service, for the betterment of Floridians.

The event is designed as a platform that brings together leaders from across all government agencies in Florida, to discuss collaboration, innovation, technology, digital, cyber, workforce, skills, and procurement transformation, to align with the Florida Department of Management Services' mission to foster an efficient, effective, and collaborative government, to support its sister agencies and their workforce, to deliver on their core missions for the citizens of Florida.

Join us and your colleagues on May 3rd, 2024, to be part of the future vision for the State.
